

International Society for Structural and Multidisciplinary Optimization (ISSMO)
11th World Congress on Structural and Multidisciplinary Optimisation
(WCSMO-11)

7th - 12th June 2015
Sydney, Australia

Please fill the full details in this Abstract Form and save it in a word or pdf with a file name of “PresentingAuthorName.docx” or “PresentingAuthorName.pdf”, and then submit your abstract as an email attachment to our conference secretariat: wcsmo11@gmail.com.

Select the topic of your paper:

- ☐ Aerospace Vehicle Design Optimization
- ☐ Approximations with Surrogates or Metamodels
- ☐ Automotive Design Optimization
- ☐ Design of Composite Materials
- ☐ Design Frameworks and Computing Environments
- ☐ Design Optimization Applications in Industry
- ☐ Design Optimization in Biomedical Engineering
- ☐ Design Optimization in Civil and Structural Engineering
- ☐ Design Optimization in Electronic and Electrical Engineering
- ☐ Design Optimization in Biomedical Engineering
- ☐ Design Optimization in Mechanical Engineering
- ☐ Design Optimization in Micro- and Nano- Structural Materials
- ☐ Design Optimization in Multiscale Problems
- ☐ Design Optimization in Thermal and Fluid Engineering
- ☐ Design Optimization of Advanced and Adaptive Materials
- ☐ Design with Uncertainty
- ☐ Emerging Methods and Applications
- ☐ Evolutionary and Heuristic Optimization
- ☐ High Performance Parallel Computing and Visualization Methods
- ☐ Multidisciplinary Optimization
- ☐ Multi-Objective Optimization
- ☐ Novel Methods for Modeling, Simulation, and Design
- ☐ Optimization Algorithms
- ☐ Robust and Reliability-Based Design Optimization
- ☐ Sensitivity Analysis Methods and Applications

- ☐ Structural Optimization
- ☐ Topology and Shape Optimization
- ☐ Other, please specify
- ☐ Reviewers' choice

ACCEPTANCE LETTER

6 February 2015

PAPER ID: 1309

PAPER TITLE: Piezoelectric Material Tailoring for Vibrations Energy Harvesters Power Optimization

AUTHORS: **Agostinho Martins Matos**, J.M. Guedes, K.P. Jayachandran, H.C. Rodrigues

Dear Agostinho Martins Matos,

Thank you for your abstract submission to the 11th World Congress on Structural and Multidisciplinary Optimization, to be held in Sydney, Australia on June 7-12, 2015.

The International Paper Committee (IPC) is pleased to inform you that the above-referenced abstract has been accepted for **Oral Presentation** at the Congress. Each oral presentation will be scheduled for 20 minutes, including questioning and discussion. The conference room will provide PC for playing Powerpoint slides. Detailed information regarding your presentation session and time will be announced on the Congress website later.

Final Abstract: You may submit an updated abstract (500 words or less) for being included into the WCSMO-11 eBook of Abstracts, which is to be distributed to the participants at the Congress.

Full Paper: We encourage you to submit a full paper. The full length paper (4-6 pages) will be reviewed and published in Congress Proceedings available on ISSMO website with ISBN. Please use the templates (either MS Words or Latex) provided on the website to carefully prepare the full paper.

Please note: the presenting author (lecture and poster) who wants to be taken into consideration for the ISSMO/Springer prize and Congress Early Career Researcher (ECR) Fellowship must submit the full paper. More details please find from the web.

Deadline of Submission: The deadline for both full paper and updated abstract submission is **31 March 2015**. Please closely follow the instructions in the web for your submissions. The presenting author is highly recommended to complete Early-Bird registration and final submission together by 31 March 2015.

Deadline of Registration: Please note that **all presenting authors must register by 30 April 2015** (although non-presenting authors are allowed to register by 31 May 2015), otherwise the abstract and/or paper will be completely removed from the Final Program, eBook of Abstracts and Congress Proceedings. It is also ISSMO policy if the presenter fails to appear (even if the author is pre-registered and paid) to present (i.e., no show), then his/her abstract and paper will not be posted on the ISSMO website.

We look forward to your participation at the Congress!

Sincerely yours,

WCSMO-11 IPC Committee
N. H. Kim (Chair), J. Guest, J. M. Guedes, S. Nishwaki, G. Steven, B. D. Youn
